TENTATIVE ITEMS--OBSERVATIONS

LANDFILL

b988

- Lateral limit of trench and mound landfill areas
- Relative quantity on both sides of road
- Any portions fenced?? Quality of fence
- Quality of cover, vegetation; erosion
- Leachate on slopes

TAILINGS AREA

- Fence intact??
- County Road paved or not paved
- General character of cover material
 - Vegetative cover
 - Surface water erosion, route off site?
 - Wind erosion potential
 - Where is source of soil
- Diversion ditch
 - Specific location--put on drawing
 - Tailings exposed/in ditch
 - Flow??
 - / Where does flow join the creek
- Impoundment embankment
 - Condition of embankment
 - Seepage
 - Marshy area
- Containment dikes???
 - Condition of dikes
 - Seepage??
 - Marshy areas??
- Stressed vegetation
- Beef or Dairy cattle
- Sheep
- Evidence of human intruder/activity

262

SILVER CREEK

Tailings deposits

Groundwater/spring water discharge into creek

Stressed vegetation

OTHER AREAS

Locations of I-80, US 40, U-248

Nearest downstream diversion ditch

Current uses of the immediate surrounding areas.

TENTATIVE ITEMS--DISCUSSION

- o Identify UPCM property lines on map - Greg Phoebe for accurate prep. ownership
- o What years has United Park City Mines owned property - GR
- o During what years were tailings placed?? - G.P.
Before 1953; after 1953 - RNSL remote sensing
- o How were tailings delivered; trucked, hydraulically
Water control/recirculation/discharge

Dust control

Typical number of people in daily workforce on site

Any special worker protection??

- o Covering tailings with soil
Status--when start & expected completion

Number of people in daily workforce

Any special worker protection??

Source/quality of cover soils--test data?? - Removal data-
early Sept

- o Identify boundaries of Park City landfill areas on map
- o Who owns property Park City landfill is on?? Both sides of highway?
- o Expected future use of Park City Landfill area - Bob Swanson.
- o Past, Current, expected future use of tailings area - BS. /EO.
e.g., use as fill material off-site
- o Expected future use of property in general
- o Sheep, beef or Dairy Cattle on the property; when
- o Any hunting on property; where
- o Did UPCM obtain any sampling for on-site or off-site media
- o Ever had a drinking water well onsite?? Now??
Any well water quality sampling by anyone??
- o Who are Park City Ventures; activities in area?? - G.P.
